

Communication to Kāhui – MRB Representative Election Process

Tēnā koutou e ngā Kāhui e whitu o te rohe,

As you will be aware, Tātau Tātau o Te Wairoa Trust is preparing for the upcoming appointment of three trustees to represent the Trust on the **Mātangirau Reserves Board (MRB)**. In line with recent recommendations, we intend to proceed with a **Kāhui Election process** to select these representatives.

The Kāhui Election model provides each Kāhui with the opportunity to:

1. **Participate in the overall election and selection process**, and
2. **Nominate candidates** who best reflect their interests and aspirations relating to the Mātangirau reserves.

We are now seeking confirmation from each Kāhui on whether you wish to participate in this process.

1. Expression of Interest to Participate

We invite each Kāhui to formally indicate whether you wish to take part in the election and selection process for appointing the three MRB representatives.

Proposed deadline to indicate participation:

Friday, 20 February 2026

As part of your response, please also confirm:

- **Who will represent your Kāhui on the Selection Panel**, and
- **Their contact details.**

Note: These dates and the process will ultimately be confirmed and finalised by the Selection Panel.

2. Kāhui Nominations for MRB Representative

Once the Selection Panel has been confirmed, each participating Kāhui will be invited to formally nominate individuals for consideration as MRB trustees.

Proposed deadline for Kāhui nominations:

Friday, 13 March 2026

The Selection Panel will then oversee the election and selection process, including:

- Confirming final dates,
- Reviewing nominations, and
- Facilitating the final appointment of the three Trust representatives.

3. Role Description

For clarity, a draft role description is included as **Appendix A** below. Kāhui may use this guidance when nominating individuals.
